That Council ADVISES DevelopmentWA that the application for an 18 storey Multiple Dwelling Development, 12 storey Hotel and five storey Mixed Use Development at Lots 42, 43 and 44, House Numbers 22, 24 and 26 Brighton Road, Scarborough is NOT SUPPORTED for the following reasons:            a. The proposal exceeds the base height limit of eight storeys and the maximum potential bonus height limit of 12 storeys. The height of the development is inconsistent with the Scheme vision and objectives that were informed by the Scarborough Master Plan;            b. The proposal does not satisfy the lot boundary setback requirements under the Scarborough Design Guidelines, resulting in excessive bulk onto adjoining properties;            c. The proposal does not satisfy the tower separation requirements under the Scarborough Design Guidelines, compromising the amenity of the future outcomes and adjacent neighbouring properties;            d. The proposal does not satisfy the design intent of the Scarborough Design Guidelines in that the buildings are not designed to protect views toward the coast from adjoining sites; and            e. The proposed car parking and vehicle access arrangements result in a detrimental impact on the streetscape and the safe and efficient movements of vehicles, cyclists and pedestrians on the local road network.            2.
