Welcome to Coastal Ward News, full of services, events and projects in your local area.

With summer almost here, it also means my favourite time of year: Christmas. It's a time to spend with loved ones, to show kindness to those who may need extra support and to celebrate all the great things we have in the City of Stirling.

It's the perfect time to visit the beach or enjoy our fantastic facilities and know that our team is working to help keep you, your family and friends safe. I wish you all a very Merry Christmas and a Happy New Year.

Local news

In September, the City hosted walks in each of our 30 suburbs with 'Local Convos' that tap into locally-led knowledge and priorities. The walks in the Coastal Ward helped the community connect, chat about local needs and identify priorities.

We heard that vibrant street art and events, activities and community facilities, living near the beach and the ability to walk to local amenities, such as cafes, bars and shopping centres were favourite aspects of residents living in the Coastal Ward.

The City gave the community 30,000 free trees.

We also heard how much our community loves getting active along the coast and is interested in improved walkways between beaches without disturbing the natural environment. The City is in the early stages of exploring a proposal for an environmentally-sensitive boardwalk to create an iconic, world-class tourist attraction that will link Perth's best beaches – Scarborough and Trigg.

The City is focused on a study to understand the environmental impacts of a potential boardwalk. We will then undertake an economic assessment, develop design options and undertake extensive community consultation.

Tiny Street Art Project outside Livid Skate Café, Scarborough.

The Mettams Pool water access ramp replacement was recently completed. Works were jointly funded by \$80,000 from the City of Stirling and \$80,000 from the Department of Transport and Department of Planning, Lands and Heritage (on behalf of the Western Australian Planning Commission) through the CoastWA program.

Cr Tony Krsticevic, Mayor Mark Irwin, Stuart Aubrey MLA and Cr Rob Papatde, Mettams Pool.
