7 DELEGATIONS BY DIRECTORATE/BUSINESS UNIT	130

1 DECISION TO DELEGATE

The principal consideration for a local government when deciding if it should delegate a power or duty, is whether the delegation will improve the efficiency of the local government's operations whilst ensuring that its policies are consistently implemented. In certain circumstances, "acting through" may be a suitable mechanism for achieving that efficiency.

2 GENERAL

A local government may, by absolute majority, delegate authority to exercise any of its statutory functions (except the power to delegate) to Committees or the Chief Executive Officer (CEO). The CEO can delegate the exercise of any of his/her powers or duties (other than the power to delegate) to employees.

Without limiting the effect of sections 58 and 59 of the *Interpretation Act 1984*, a delegation made under the *Local Government Act 1995* has effect for the period of time specified in the delegation or where no period is specified, indefinitely.

A decision to amend or revoke a delegation to a Committee or the CEO by a local government must be made by absolute majority.

All dollar amounts listed in this register are excluding GST.

3 DELEGATIONS TO THE CEO

Delegations of authority from Council to the CEO must be in writing and can be general or specific. The limits on delegations of authority to the CEO are:

- (a) any power or duty that requires a decision of an absolute majority or a 75% majority of the local government;
- (b) accepting a tender which exceeds an amount determined by the local government;
- (c) appointing an auditor;
- (d) acquiring or disposing of any property valued at an amount exceeding an amount determined by the local government;
- (e) any of the local government's powers under sections 5.98, 5.98A, 5.99, 5.99A or 5.100; (these relate to: fees, expenses and allowances for Elected Members);
- (f) borrowing money on behalf of the local government;
- (g) hearing or determining an objection of a kind referred to in section 9.5;
- (ha) the power under section 9.49A(4) to authorise a person to sign documents on behalf of the local government;
- (h) any power or duty that requires the approval of the Minister or the Governor; or
- (i) such other powers or duties as may be prescribed.

4 DELEGATION BY THE CEO TO EMPLOYEES

Delegations of authority from the CEO to employees:

- (a) must be in writing;
- (b) can be general or specific; and
- (c) are subject to any conditions Council may have imposed.

5 REGISTER OF, AND RECORDS RELEVANT TO DELEGATIONS

The CEO must keep a register of all delegations made to the CEO and employees. The register records the power or duty delegated, the delegate's position, any conditions imposed on the delegation and where the power to delegate is derived from.

The register of delegations must be reviewed at least once every financial year. The review is to be carried out by Governance.

A person who is delegated a power or duty is to keep records of the following in relation to the exercise of the power or discharge of the duty:

- (a) how the power was exercised or duty discharged;
- (b) when the power was exercised or duty discharged; and
- (c) the persons or classes of persons, other than council or committee members or employees of the local government, directly affected by the exercise of the power or discharge of the duty.
